12/64	<p>To discuss the security of the Village Green land and approve any immediate expenditure</p> <p>Permission had been granted in April from Taylor Wimpey to access the village green land while the final legal matters were dealt with regarding the transfer.</p> <p>On 1 May, additional details had been received from Taylor Wimpey giving permission to erect bollards and a gate and advising that GPC to contact its solicitor to check the title documents to clear any uncertainty about a legal right of way.</p> <p>As the ground had been flail mowed and cleared, Council had were asked to consider approving expenditure to erect bollards and a gate to make the area secure. A quote had been received from JWH Ground Maintenance for £800 for the labour and the materials would cost GPC in the region of £1200.</p> <p>After some discussion, it was proposed, seconded and agreed by all councillors present not to approve any expenditure and to progress with a full funding application that would incorporate the costs of the bollards and gate.</p>	

The meeting closed at 7.25pm
