Staffordshire County Council

Chairman

14 JUL 2014

Dear Miss Cooper,

Please would you pass on our sincere thanks to your Chairman Cllr Roger Greatrex and Cllr Mary Booth, for showing us around your magnificent rural areas of Moreton and Knightley.

During our tour of duty we have been to many beautiful and historic Towns and Villages, but none of these have given us as much pleasure as we have enjoyed this afternoon. It was also a great honour to meet many of your hard working Councillors, what a great set of people to work with.

The tea you put on was something to relish, and the beautiful basket of strawberries you presented to us, will certainly be enjoyed to the full, and the information pack will be read with interest.

So, all in all a visit to remember and treasure, please accept our grateful thanks to all concerned, and our best wishes and kind regards to all our new friends in probably the most beautiful part of our great County.

Kind Regards
