15/070	<p>To consider committee/working group issues</p> <p>Matters relating to the Planning Committee</p> <ul style="list-style-type: none"> Minutes of the meeting held on 23th April were accepted. <p>Matters relating to the Resources Committee</p> <ul style="list-style-type: none"> Minutes of the meeting held on 7th May were accepted It was noted that the Internal Auditor had made positive comments regarding the accounts and systems in place. A copy of the accounts at the end of the financial year ending 31.3.15 was received by all councillors It was noted that funds to Christ Church in Knightley and St Mary's Church in Moreton to help maintain the Burial Grounds could be given by the Parish Council using a specific power under the Local Government Act 1972 section 2104(6) rather than using the more general "donations" budget heading. The Clerk and Chairman of Resources to review this and make a recommendation where budget headings could be amended. It was noted that the funding application for £695 to the County Councillors Fund for a generator, to be used at GFest events and other Parish Council requirements, had been successful. It was therefore agreed that the Handyman would be reimbursed for the generator purchased to replace the broken one borrowed from Gnosall Players. The Clerk was thanked for keeping the financial records for the past year in good order, as recognised by the Internal Auditor. <p>Matters relating Gfest Working Group</p> <ul style="list-style-type: none"> Funding applications to Awards for All, Aviva, Waitrose and the Police and Crime Commissioners Fund had been successful. The amount awarded from Aviva depends on parishioners votes, funds from Waitrose depends on community tokens during the month of May and funds from the PCC funds, depends on passing a number 	Clerk Cllr Ingram

	<p>of stages successfully.</p> <ul style="list-style-type: none"> • A finalised programme would be complete in mid June and it is hoped to deliver a copy to all households. • Cllr Booth would be arranging a press release. <p><i>Cllr Winnington arrived at 8.15pm</i></p> <p>Matters relating to Open Spaces</p> <p>A meeting with Staffordshire County Council's Farm Tenant Manager, the Environment Agency and the tenant farmer from Plardiwick Farm was held on 18th May to discuss the impact the maintenance work carried out on the Doley Brook on the Acres had had on flooded fields on Plardiwick Farm.</p> <p>Cllr Deegan had prepared a very detailed report following the work carried out in February 2015, with photographic evidence, indicating that the works had a negligible effect on the levels of the Doley Brook upstream and the groundwater levels of the lower field at Plardiwick Farm. However the farmer felt the work had made a positive impact on his fields and water had reduced considerably. It was disappointing that the report, that had previously been sent to SCC and EA had not been read by the County Council's Farm Manager neither had the actions agreed for SCC to carry out at the meeting in May 2014 been addressed. It was agreed that a follow up meeting be arranged, by the Clerk, with County Councillor Mark Winnington, SCC's Ecologist and the Environment Agency, to agree the way forward. Several Councillors expressed their concerns that Gnosall Parish Council funds should not be spent on regular dredging of the brook as findings from many years previous had shown that it is not effective, this is also confirmed by The Environment Agency.</p> <p>As County Councillor Mark Winnington had arrived, he reported that the superfast broadband is still patchy in Gnosall but all properties within 1.5 miles of a connection box should be able to receive it.</p> <p><i>Three members of the public, the press and Cllr Winnington left the meeting.</i></p>	Clerk
15/071	<p>To receive and approve the Annual Return for year ending 31.3.15</p> <p>Councillors approved section 2 of the Annual Return as required. It was proposed, seconded and agreed that the Annual Return be submitted as set out with the supporting documents. The Clerk and Chairman signed off the Annual Return ready for its submission to Grant Thornton, external auditors.</p>	Clerk
15/072	<p>To receive a report on financial receipts for April 2015 and receive accounts for approval for May 2015</p> <p>The accounts were reviewed then proposed, seconded and accepted.</p>	

15/073	<p>To discuss and agree any action needed in relation to:</p> <p>a) Gnosall Youth Club It was agreed to set up a working group to explore the interest in setting up a new Youth Club and the necessary requirements. Cllrs Deegan, Simkin, Payne and Webb expressed their interest in helping. The Clerk to arrange a meeting.</p> <p>b) Gnosall Library Cllrs had received two letters sent recently from Staffordshire County Council regarding the future of the library service including the mobile service. There was discussion about the facilities that are currently needed in the village and it was agreed the Parish Council should facilitate a “village meeting” rather than a Parish Council meeting at which up to date information on the current position of the library service, youth club, swimming pool/leisure centre could be shared. The Clerk to arrange a meeting in early September.</p> <p>c) Gnosall Swimming Pool/Leisure Centre Working Group Despite requesting details of meetings, The Clerk had not received any notes from meetings held or dates of future meetings. Information would be requested again to enable a representative of the Parish Council to attend. It was noted that the group has a completed business plan, gained the support from Sir Bill Cash, MP, is arranging a public meeting at the end of June and is awaiting a response from the County Council on possible land. The Clerk and Chairman were asked to meet with a representative of the working group to confirm the Parish Council’s support.</p> <p>d) Gnosall Heritage Group Cllr Abbott reported that an initial meeting was held on 15th May. The objection is to recreate and maintain an archive of photographs, documents and artefacts for Gnosall Parish under the umbrella of Gnosall Parish Council. The archives would have an historical perspective with a view to providing a resource and reference for future generations. Councillors were asked whether the Parish Council would establish a Heritage Group under its stewardship and if so how this could be achieved.</p> <p>It was agreed by all Councillors that the Parish Council would be interested in this and would arrange a meeting to determine the procedures to put this in place. The Clerk to arrange a meeting.</p> <p>e) Gnosall Parish Council’s 120th anniversary Cllr Booth reported that she and two other parishioners interested in the history of the Parish Council would be arranging an event during GFest, to be held on Wednesday 8th July at 2pm, at which the history of the Parish Council would be displayed as well as the history of parish councils in general. Display boards with illustrations from the archives of life around the end of the 19th century/beginning of the 20th would also be arranged. It was also suggested that a presentation to Cllr Watson-Jones who had recently retired after 56 years serving on the Parish Council could be incorporated into this event.</p>	<p>Clerk</p> <p>Clerk</p> <p>Cllr Alker Clerk</p> <p>Clerk</p>

15/074	<p>To consider correspondence and other communications, received (list enclosed for parish councillors, available to residents on application to the Clerk)</p> <p>Cllrs noted the list of correspondence received.</p> <p>Planning application 15/22130/HOU demolition of existing garages and outbuildings to provide replacement garages, log and freezer store building at Knightley Cottage was reviewed.</p> <p>The following points were made,</p> <ul style="list-style-type: none"> • As the existing building has a tiled roof, in good condition, it is recommended that the tiles are used on the new roof on the road side to match the existing cottage. • Because of the dangerous T-junction opposite the cottage, it would not be suitable for an entrance for any business use. <p>It was proposed and seconded that the Clerk responds with no objection to the application and to include the two comments made. A vote was taken with 10 councillors voting in favour of the proposals. There was one abstention.</p>	Clerk

15/076	<p>To confirm the date and time of the next meeting</p> <p>This would be held on 8th June 2015.</p>	
15/077	<p><i>The remaining member of the public left the meeting.</i></p> <p>To receive quotations for the Council's insurance and to appoint an insurance provider.</p> <p>The Clerk presented a report giving details of insurance cover and fees from Zurich and Aon. Although a meeting had been held with Came and Company to discuss insurance requirements, a quotation had not been received in time to report to Council.</p> <p>Councillors reviewed the information received and it was proposed, seconded and unanimously agreed to appoint Zurich as the Council's insurer for a 3 year period commencing on 1st June 2015. The Clerk to action.</p>	Clerk
